

COVID-19 IMPACT

#GivingTuesdayNOW

When the Covid-19 pandemic began, we saw a spike of people coming to us needing a hot meal. We used to serve around 200 every day, but since March we have been serving over 300. We try hard not to ask you too often, but today is Springtime Giving Tuesday, and many people are hurting right now.

We are hoping to raise \$5,000 by the end of the day that will help us continue serving hot, nutritious meals to the homeless and hungry in Hollywood. Not only are we serving our own clients, but our food sharing program is still active and now even growing. We are now sharing food with over 20 partner social service agencies, helping people they care for get nutritious meals all across the city. We are SO GRATEFUL for everyone who has reached out to help, whether to donate food, to drive deliveries to our partners, to don a mask and cook and serve in the kitchen, or to help us out financially. Please click the link above, or visit our website: www.hofoco.org/donate. We are all in this together and we will make it through these tough times!

Mission: to feed and serve the immediate needs of the hungry every night of the year so they can build better lives.

Vision: a city where everyone has food, community, and support.
